A walk  
through  
**20 years**

2009 celebrates Clerical Medical's 20th year of sponsorship of the Parish Walk and it has become an established, annual sporting event on the Isle of Man. In many ways this event is unique, involving an 85 mile race-walk around the 17 parishes of the island, within 24 hours.

What started as a five year commitment for an outlay of a mere £500 has grown in stature and popularity, attracting walkers from all over the UK and abroad. In 1990 there were only 155 starters but in 2009 there will be around 1,700 participants.

All at Clerical Medical are delighted with this long and successful association and the company is fully committed to the community of the Isle of Man.

# PARISH WALK

## A Welcome from the Race Director

Welcome to the 2009 Clerical Medical Parish Walk. The Parish Walk provides a unique challenge to all the entrants and it has captured the imagination of the Manx folk over the years. This year the race has attracted an all-time record entry of 1620. Ahead lies a test of stamina and endurance over 85 miles and 17 Parish Churches all which must be passed before returning to Douglas Promenade within the 24 hour time limit.

Last year we had a new name on the trophy, Jock Waddington who won a thrilling race in a time of 15.44.43. This year he wears the number one vest. All the entrants who have previously finished the Parish Walk are seeded 1 to 181.

The committee would like to extend its thanks to Clerical Medical who are sponsoring the event for the 20th time. Their unwavering support for the Parish Walk since 1990 has allowed the race to grow into the mass participation event that we now know. There are not many event sponsors as loyal as Clerical Medical and we hope that we continue the relationship with them well into the future.

Our thanks are also extended to Manx Telecom who in conjunction with Sportident UK are sponsoring the electronic timing and results service. Manx Telecom are also providing a text service to nominated support crew members with race information. Colebourn's are providing the technology for the information screens at the finish. The committee is grateful to Murray Lambden for maintaining our website [www.parishwalk.com](http://www.parishwalk.com) and to our feed station sponsors Barclays Private Bank, 3FM, Shoprite, MannVend, Robinsons, HSBC, Paragon, Hospice and Wooden Spoon.

We are also grateful to the Department of Tourism & Leisure for their support and to the Civil Defence and the Police for their help.

I would like to thank the organising committee of Liz Corran, Karen Kneale, Allan Callow, Kevin Walmsley, Martin Lambden, Winston Liu, Tracy Cook, Debbie Surgeon and Geoff Walmsley who have freely given of their time and efforts over the past six months.

Finally a big thank you to all the marshals, checkers-in, ambulance crews, police specials and all the people who year after year turn out in the dead of night to help with the Parish Walk.

To all competitors, please read and observe the rules carefully and obey the instructions of the marshals. Please note that there are certain time limits for passing some of the churches. Once you have completed your walk please ensure that your timing chip is handed in to the officials.

Thank you and good walking.

Raymond Cox - Race Director.

## **ADVICE FOR SUPPORT DRIVERS**

1. Display your numbers clearly on the front and rear window screen.
2. Do not stop on the “No Stopping Zones” which are:
  - On the Peel Road from Braddan Bridge to Marown.
  - On the A26 St Marks Road between the Braaid Roundabout and the turn off for the Cleaynagh Road.
  - On the Castletown Road from the junction with the Cleaynagh Road to the junction with the Oatlands Road.
  - On the Castletown Road from the junction with the Old Castletown Road to the junction with the Orrisdale Road.
  - On the St Marks to Ballasalla Road from the junction with the Orrisdale Road to Ballasalla.

Assistance to race walkers along these areas is forbidden and failure to adhere to this regulation may lead to time penalties and disqualification of the walker. There will be feed stations provided along the early part of the course.

3. The following roads will be closed for all traffic:
  - **The Cleaynagh Road.**
  - **Old School Road, Rushen**
  - **The Orrisdale Road**
  - **Derby Road, Peel.**Please find an alternative route.
4. The following roads are open to race traffic only, for parking and assisting race walkers:
  - **Glen Darragh Road.**
  - **The Oatlands Road.**
  - **The Old Castletown Road.**
  - **The Ballasalla to Ballabeg Road.**
  - **Church Road, Rushen.**
  - **The Sloc Road.**
  - **The Dalby Road.**
5. A new traffic flow system is in place at Rushen Church. Please follow the signs for “Parking” if you want to go to the Church. Otherwise follow the “Through Traffic” signs to continue up the sloc by passing the Church.
6. Stop only where you can park SAFELY. Be aware of road junctions and dangerous bends.
7. Do not attempt to drive alongside walkers.
8. Be aware of the safety of other walkers & road users.
9. Do not leave litter or discard waste food. Take home all your litter or use litter bins.
10. Switch on hazard lights when parked on the road.
11. You must wear bright or reflective clothing, especially at night. Reflective bibs are on sale at the check-in.
12. Do not make excessive noise in residential areas during the night.

## **Parish Walk History**

The Parish walk is now approaching its fiftieth year in the current format, and despite having seen many changes to minor aspects, it remains essentially the same event. Over the years numbers have increased dramatically both in entries and finishers, times have reduced, electronic timing and computers have replaced the old hand written records, and road and traffic planning have increased. One factor though is beyond our control, and 2008 proved that Mother Nature will always have the last word. A record entry was to face the harshest weather conditions recorded for a June day for many, many years, and it is a tribute to the hardiness of the competitors that anybody lasted the distance.

Clerical Medical celebrates 20 years as the main sponsor of the event, a collaboration that has enabled the race to grow in stature and professionalism, and the introduction of Sportident's timing system, sponsored by Manx Telecom, has alleviated the major headache of trying to process and input huge amounts of data accurately and quickly. The sheer physical demands of entering over a thousand race numbers and times for each of the early churches was becoming the stumbling block on which the race could have floundered. The earliest use of a computer was courtesy of the Buchan School, when results were phoned in and input on site, then Skanco Systems wrote a programme for use on the laptop they provided. This programme was updated by Dave Willis, and until 2006 was the results service, meaning long tiring hours for the results team, which occasionally led to mistakes.

The list of multiple finishers is now becoming so long that I will only mention one, David Callister, who has now completed the event for 25 consecutive years. It has been suggested that he dare not break the sequence, as this year's walk is next year's training!

Each year the committee tries to find ways of improving walker and traffic flow, and we would ask that if you are walking, or supporting the event, you follow the instructions and directions given to you. These are there for the benefit of everyone! We all rely on the goodwill of the general public, so please don't give them cause to complain.

Good luck to all competitors, but remember that to claim to have "done the Parish" you have to reach that line on Douglas Promenade.

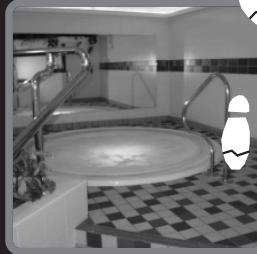

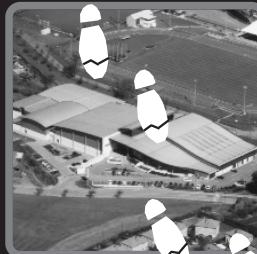

A more detailed history of this great event can be found in Dermott O'Toole's publication, "A Walk through Time".

Martin Lambden

# The National Sports Centre Welcomes the Parish

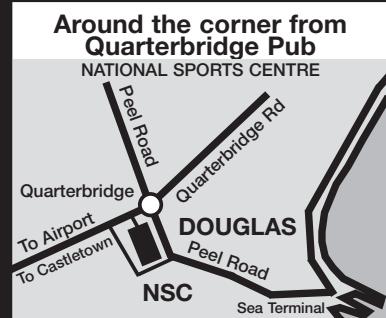

## Walk

- Café – offering great choice & value
- FREE Parking
- Leisure pool with flumes &

- features
  - Mixed sauna, steam and spa sessions
  - Ideal wet weather refuge

## SUPPORTING LOCAL CHARITIES

Every year, as part of the company's commitment to the Parish Walk and the Island's community, the Clerical Medical team chooses local charities to raise funds for. Every employee is offered the opportunity of nominating a charity and in 2009 five local organisations have been chosen.

### HOSPICE ISLE OF MAN

Hospice Isle of Man is the registered charity that started in 1983. Today Hospice sees more than 370 patients each year. This comes at a cost of just over £3.5 million per year of which approximately £600,000 is given to the Hospice by the Isle of Man Government.

Most of the income comes from fundraising events, regular donations and legacies. We would like more members to guarantee a steady predictable income. The Fundraising team can be contacted on 647434.

Hospice Isle of Man is an independent healthcare provider, governed by the same clinical governance requirements as the Isle of Man Department of Health and Social Security which means that all staff employed by the Hospice are highly qualified health care professionals whose responsibility it is to continuously improve all services provided.

More than 200 patients are admitted to the Hospice each year and more than 20 children are being looked after by our children's unit, Rebecca House. The Day Therapy Unit in the Scholl Centre has more than 1,000 attendances per year with up to 150 patients receiving help from our specialist nurses.

Please visit [www.hospice.org.im](http://www.hospice.org.im)

### PROJECT 21

In 2002 five of the main special needs charities on the Isle of Man; Manx Mencap, Manx Gateway Club, IOM Special Olympics, Autism in Mann, and Down's Syndrome IOM, combined to form a new registered charity – Project 21, a project for the 21st century!

The aim of the charity was to obtain land and then develop a new building as the headquarters and social centre for all people with a learning disability.

The facility now comprises a large hall suitable for sports and social functions, two downstairs meeting and activity rooms, and upstairs a computer room and the Mencap Office and meeting room.

We are very grateful to all those who have helped us to get this far, and should be delighted to receive any further help you can give us to raise the remaining money for what we believe is a very worthy cause.

Please contact [karran@manx.net](mailto:karran@manx.net)

### THE MANX BLIND WELFARE SOCIETY

The Manx Blind Welfare Society (MBWS) has been established in the Isle of Man since 1936 and presently provides support and information for over 500 people with serious sight loss on the Island. A friendly team of 4 full time and 8 part time staff,

along with over 200 volunteers, provide a comprehensive range of services and support.

Housed within the centre is a talking book library, a recording studio producing a weekly news service, computer training room, specialist equipment room and a spacious dining and social room. We also provide home and hospital visits and additional social events off premises throughout the year.

Whilst we work closely with all organisations within the Isle of Man Sight Impairment Service we are financially independent of government, relying entirely upon fundraising, donations and legacies for our services.

**Please visit [www.mbw.org.im](http://www.mbw.org.im)**

## IoM **WOODEN SPOON**

The Isle of Man set up a regional committee for Wooden Spoon on the Island in 2004, with the objective of raising funds for disadvantaged children and young people living here.

Wooden Spoon is the children's charity of the rugby world and for 25 years Spoon has harnessed the spirit and values of rugby to give disadvantaged children in Britain and Ireland a chance to achieve their full potential in life.

Over this time more than 350 projects have been supported with over £15million given in grants to national and local projects. Over 2,000 fundraising events have been held supported by over 10,000 social members. Funds raised have enhanced the lives of more than 500,000 children, young people and their families.

In 2008 alone 62 new projects were initiated with a total of £1.8million committed and over

25,000 more children and young people were helped by Spoon during last year. Projects have ranged from sensory rooms, interactive gardens and playgrounds for special needs children through to support centres, IT equipment for training centres, hydrotherapy pools and rugby projects to combat bullying, violence, obesity and discrimination.

In the Isle of Man Wooden Spoon has achieved tremendous success in a short space of time, raising £20,000 for the external play area at the Children's Hospice and £70,000 for the Children's activity room at the Project 21 Centre.

**Please visit [www.woodenspoon.com](http://www.woodenspoon.com)**

## FRIENDS OF **CHERNOBYL**

The Friends of Chernobyl's Children (IOM) charity was started in 1991 and brings deprived children from Belarus for recuperative and respite care. The charity pays for all medical, dental work required whilst the children are here and its thank to the generosity of the Manx people that this will be the 11th year that this has been possible.

For those of us old enough to remember the Chernobyl disaster, the effects on the surrounding area have been devastating. Irradiated soil and water supplies have caused an increase in genetic mutations amongst the population with an ever increasing rate of children born with significant deformities.

By coming for a month each year for 3 years and receiving good food, clean air and medical help it increases the children's chances of living past 30 years of age by 85%!

# A Great Finish

**Swagelok Ltd.** and its associates are proud to serve as a sponsor for the Clerical Medical Parish Walk. Congratulations to all of this year's participants!

**Swagelok Ltd.** employs 185 and is the Isle of Man operation of Swagelok Company, a leading provider of fluid system technologies. Its manufacturing helps to complete the company's piping and regulator product offering for the oil, gas, and petrochemical industries. From the Isle of Man facility Swagelok also manufactures critical components for the aerospace industry.

**Swagelok®**

MEET THE CHALLENGE™
